I'm one of those three, who came to HHS from different parts of the world. I know that both of my families (at home and here) are the best in the world. Great thanks to them.

I'm very grateful to my friends Ukrainian friends (Sheva, Grisha and others), who support me by e-mail letters. Though I'm enjoying myself with my new friends here, I'll never forget Julien and our work at Sandy Island camp.

It's wonderful, that almost all the kids in HHS are so friendly. I'm glad I have such friends like Greg, Dan, Bobby, Scott and others. Thanks to all my x-country teem mates, especially to Cody Robbins. I wish there were no meets in x-country. Probably almost all of them will agree with this point.

Administration

Dr. Gilbert, Superintendent

The responsibilities as well as the challenges will be expansive for you, the graduating class of the year 2000. It will be your class that will lead us into the new millenium. The world will watch with great hope and anticipation as each of you makes your own individual contribution to our community and our society. The staff at Harwich High School have prepared you well for your transition. I personally wish to offer each of you all the best in your future endeavors.

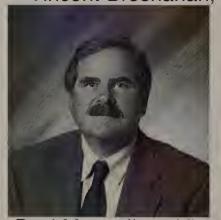

Vincent Bresnahan, Principal

To the Class of 2000!

Yogi Berra who won the American League MVP award three times and was inducted into the Baseball Hall of Fame in 1972 was equally renowned for his one-of-a-kind observations. Two of these quotes are worth repeating to you at this juncture of your lives!

"The future ain't what it used to be." We have few clues to help describe what the working world will be like for you in the 21st Century. We hope that we have provided you with the basic academic, social and critical thinking skills needed to find success in college as well as the working world. This leads us to the second quote, one to provide some guidance for you. "Ninety percent of the game is half mental." Use your mind to project the consequences of your actions to not only yourselves but to those who depend upon you. Be mindful that you can make a difference in other people's lives.

On behalf of the staff of Harwich High School, I wish you a fruitful and successful lifetime of happiness.
